

From Columbus take US 33 West and follow it past Bellefontaine. Shortly after US33 turns into a 2 lane highway you will hit the SR 274 intersection. Turn left onto SR274 and follow it through New Bremen and all the way to US127. Turn right onto US127 north and go appx 4 miles to SR 219. Turn left onto SR219 and go appx 3 miles into Coldwater. At the 2nd stop light (church on right) turn right and proceed to north on SR118 to edge of town. Coldwater Machine is on the right side at the edge of town – 3 flag poles in front.
